A = Approval I = Information*

Course Number _____ or Degree Plan(s) SOCW

State the requested change and reason. A memo may be attached if more space is necessary.

[We are requesting that the courses that are currently identified in our requirements as "supplement for major" now be identified as "major requirements." We feel this more accurately represents the importance of these courses for our students, and will eliminate confusion about whether these courses are required.]

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.
