Course Number _____ or Degree Plan(s) DET and IT

State the requested change and reason. A memo may be attached if more space is necessary.

The catalog currently says that Digital Entertainment Technology and Information Technology majors cannot do their 18 hour support field in business. This policy was included in the initial proposal for the IT major to make sure there was sufficient differentiation from the Information Systems major. (This language from the IT degree was later copied into the proposal for the DET major.) In practice, IT majors have been requesting to take business courses, and our advisory committee has encouraged more business courses for SITC majors. We believe that students who still want a technology-oriented business major will still do the Information Systems major. See the attached support email from the Management Sciences department that supports our request.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

* Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

** In most cases, approval by only one council is necessary.

Note: When an academic unit does not have a council, the UGEC and/or UUAC will serve as its academic council, depending on the nature of the issue.

Subject: allowing SITC majors to use business as their support field

To: Brad Crisp <cbc06d@acu.edu>

Brad-

The Management Sciences department fully supports the modification of the catalog to allow SITC majors to use business courses as their support field.
