Course number: Adding Graphic Design Minor or Degree Plan(s) \_\_\_\_\_  
 State the requested change and reason (a memo may be attached if more space is necessary):

Currently we have an art minor with emphasis on the fine arts. Our most popular major is graphic design so we felt it would be helpful to offer a minor with that emphasis. We feel that we currently have the faculty to support the demand.

See Attached.

\* In most cases approval by only one council is necessary.

♦ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g. BA, BS). The maximum in the major must allow for at least 6 hours of electives.

♥ Supplement - A set of *required* courses in a degree program that are outside the university core, the degree core, and the required courses in the major field. Supplement courses are not elective in nature, and ordinarily do not include “menu” options (that is, a series of courses from which the student selects one or more).

♣ The university minimum for elective hours is 6.
