Proposal 5 hours saved

We're moving toward more of a global aspect.

Have to take 2 years of language but don't know they have to test out. Expected high number of students to test out of 3 hours?? Only a fair number.

There's a 70% fail rate for 6 hours for foreign language.

Motion to have 5 hours that are unaccounted for 3 foreign language/cultural competency taken from list of classes approved by ugeg and 2 hours of gen. ed. May be chosen from any of the list of the gen ed courses; seconded; all in favor; none opposed; motion passes.
