Course Number _____ or Degree Plan(s) MATM

State the requested change and reason. A memo may be attached if more space is necessary.

The Department of Mathematics proposes to discontinue the MATM major -- Middle School Teacher Certification -- Mathematics (Grades 4-8). State certification for high school mathematics is changing, beginning September 1, 2013 from grades 8-12 to grades 7-12. Current middle school certificate in mathematics is for grades 4-8, but those that teach mathematics in grade 6 or below are typically in a classroom that requires an additional Generalist qualification. As a result, the demand for this major has been very low, and with the new grade 7-12 high school certificate, we expect the demand to drop even further. We currently have one freshman MATM major, who is considering switching to MATT, and 5 seniors, who will graduate in either Dec 2012 or May 2013.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

* Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

** In most cases, approval by only one council is necessary.

Note: When an academic unit does not have a council, the UGEC and/or UUAC will serve as its academic council, depending on the nature of the issue.
