Course Number **SPED 374/PSYC 374 Emotional and Behavioral Disorders in Children**

State the requested change and reason. A memo may be attached if more space is necessary.

1. ~~Remove the spring designation:~~ ^{Change} Fall/Spr. 1

We offer this course at various times.

2. Add the following prerequisites: SPED 371 or PSYC 232

This course currently has no prerequisites. Students must have some relevant prior knowledge and maturity in order to enroll in the course. Dr. Beck has communicated support for this change in an e-mail provided.

3. Add the following to the description: Limited to students admitted to Teacher Education or majoring in Psychology

It is not possible to offer this course frequently enough to allow open access. We need to reserve spaces for students in these two fields. If spaces are available, students may request an override.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

‡ Program or course changes applying to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

* All graduate degree plan changes must go through the Graduate Council.

** Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and corequisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

Note: The Board of Trustees is informed when a major or degree is added or discontinued.
