

Proposal to Modify ENGL Degree

TO: CAS Council and University Undergraduate Academic Council

FROM: Dr. Cole Bennett, Chair of the Department of Language and Literature

DATE: March 18, 2013

RE: Removing ENGL 411/412 from the ENGL degree

Based on the recommendation of the departmental Degree Plan Committee, on February 6, 2013, the Language and Literature Department voted to approve a revised ENGL degree.

The new degree and new course applications will be presented to councils in Fall 2013, for adoption into the 2014-2015 Catalog.

However, the committee and department determined that ENGL 411/412 is no longer meeting departmental outcomes, and we would like to remove the required course from the ENGL degree effective with the 2013-2014 Catalog.

Cole,

This would need to go through the normal process. It needs to go through the college council and UUAC. Would you be able to get it to me so I can get it on the April 3rd UUAC agenda?

Jennifer,

In the midst of revising our English BA major (which we plan to take through councils next year) our department has voted to no longer require a certain class (ENGL 411/412) for our English majors effective **this coming Fall '13** (it was dropped from the requirements for the new major, but we wish to drop it sooner). What is the procedure for carrying out this vote to its finality? Does it go through councils?

Thank you,

CB
