State the requested change and reason. A memo may be attached if more space is necessary.

I See attached sheet.  
 The department proposes closing MATH 248 Foundations of Middle School Mathematics. MATH 248 is a course designed specifically for the MATM major. Because the MATM major has been discontinued, we are requesting that this course be closed. We currently have one MATM major and we will work with this student to find other courses that can substitute on the degree plan.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

\*\*Courses offered only to students seeking teacher certification must go through the Teacher Education Council.

Note: When an academic unit does not have a council, the UGEC and/or UUAC will serve as its academic council, depending on the nature of the issue.

♦ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

‡ Program or course changes applying to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

\* All graduate degree plan changes must go through the Graduate Council.

\*\* Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and corequisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

Note: The Board of Trustees is informed when a major or degree is added or discontinued.

**Curriculum Changes**  
*Department of Mathematics*  
October 14, 2013

*Proposed*

The department proposes closing MATH 248.

Rationale:

MATH 248 is a course designed specifically for the MATM major. Because the MATM major has been discontinued, we are requesting that this course be closed. We currently have one MATM major and we will work with this student to find other courses that can substitute on the degree plan.
