Degree Plan(s) Middle School Education with EC-6 and 4-8 Social Studies

State the requested change and reason. A memo may be attached if more space is necessary.

[The teacher Education department would like to add three new degree plans that combine a streamlined professional education sequence for EC-6 certification and courses for certification in 4-8 Science, Math, Social Studies and Language Arts. We closed all 4-8 degrees last year because these certifications are extremely limiting without a generalist credential. However, we do have students interested in intermediate and middle school contexts. We believe it is important to provide degrees for these students. Because these are essentially double majors, these degrees do not include any electives. They are, however, highly interdisciplinary and will prepare these candidates for flexible placement in schools. This document includes the proposed degree plan for Middle School Social Studies with Elementary Generalist.]]

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

♦ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

‡ Program or course changes applying to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

* All graduate degree plan changes must go through the Graduate Council.

** Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and corequisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

Note: The Board of Trustees is informed when a major or degree is added or discontinued.
