In our current degree plan, students must complete 15 hours (5 courses) from a menu of possible courses from areas outside of social work that supplement the required SOCW courses. We are requesting that this requirement be decreased to 4 classes, and that we replace that 5th course with a required social statistics course (SOCI 416).

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.

In our current degree plan, students must complete 15 hours (5 courses) from a menu of possible courses from areas outside of social work that supplement the required SOCW courses. We have identified these as “major course requirements.”

We are requesting that this requirement be decreased to 4 classes, and that we replace that 5th course with a required social statistics course (SOCI 416). This is for several reasons:

1. An increasing number of MSW programs are requiring a social statistics course for admission into their program.
2. We have benchmarked similar BSSW programs, and we are one of the few that does not have a social statistics requirement.
3. An increasing number of our students are requesting to take a social statistics course for either an elective, or requesting a sub-waiver to allow a statistics course to count as a “major requirement course” in their degree plan.

As this course was originally developed in cooperation with social work and sociology, it directly applies to our majors, and we have the ability to teach it. As to not put a strain on the enrollment in the course already offered through Sociology, we will offer a separate section primarily for social work majors taught by faculty in the School of Social Work.
