Course Number All 200-level foreign language courses or Degree Plan(s) General Education menu
State the requested change and reason. A memo may be attached if more space is necessary.

The College of Arts and Sciences Dean's Office requests the following change be made to the Foreign Language and Cultural Awareness menu: Add all 200-level foreign language courses to the Foreign Language and Cultural Awareness general education menu. The name of the menu itself (Foreign Language and Cultural Awareness) make foreign language courses a natural fit for the category. In addition, all 2XX-level courses meet the general education requirement of being lower-division courses. While 2XX FL courses have 1XX FL prerequisites, those prerequisites are part of the general education menu. Finally, since B.A. degrees require 6 hours of sophomore-level foreign language, 200-level foreign language courses are widely used by students across the university. The way in which these courses are used is consistent with the spirit of general education.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

♦ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

‡ Program or course changes applying to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

* All graduate degree plan changes must go through the Graduate Council.

** Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and corequisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

Note: The Board of Trustees is informed when a major or degree is added or discontinued.
