Course Number BIBL 458 or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

Change course description to:

BIBL 458 Synoptic Gospels (3-0-3), Fall - A detailed study of one of the synoptic gospels, either Matthew, Mark, or Luke. Prerequisite: sophomore standing; BIBL 101 and 102 (or 103). This course may be repeated with different content, upon approval of the department chair. May be used to satisfy University Requirements.

Rationale: We had originally conceived this as a majors-only comparative study of all three synoptic gospels. But many non-majors are interested in a more detailed study of a gospel, and some faculty have taught this as a study of one gospel for non-majors. Therefore, we are revising the course description, so that this will be a course for non-majors. We intend to create a new course called Synoptic Problem, which will be a more technical course for majors only.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about “Information” items. These items are approved as “Consent Agenda.”

² The Dean and Department should respond to the Provost’s recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU’s University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and “not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession” (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that “general requirements for graduation” means the enumerated items in the “General Requirements for Bachelor’s Degrees” section of the catalog.
