Re: Review of COMM392: Rhetoric of Pop Culture

Dear Dr. Lemley,

Thank you for the submission of Health Psychology. I reviewed the syllabus based on the ACU application requirements. Please also see the attached checklist and make changes as needed. Specifically, here are a few sections you might want to add:

- Prerequisites/co-requisites, if any;
- Intended audience;
- Description of how learning and Christian faith are integrated in the course;
- List of topics you will cover in the course;
- A brief description of what your class format.

Other than these, the syllabus is exemplary! However, this letter is not meant to be a final approval in the course application process. Instead it is intended as a reference, which will be read by your department chair and members of the council, who may also have questions or comments of their own.

We would like to thank you for allowing the Adams Center team to review your course application. The instructional design team would love to work with you on your syllabus, as well as the design, development or revision of this and other courses. If there is anything else we can do to help you, please feel free to let me know.

Sincerely yours,
