State the requested change and reason. A memo may be attached if more space is necessary.

The Department of Political Science is requesting the course be changed to reflect the current department of record in which the course is taught, and that the course prefix should be POLC. The course number should stay the say. No change in content or description is needed. The Department of Communication and Sociology supports this change. It does not need to be cross-listed

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

♦ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

‡ Program or course changes applying to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

* All graduate degree plan changes must go through the Graduate Council.

** Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and corequisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

Note: The Board of Trustees is informed when a major or degree is added or discontinued.
