Course Number SOCI 499
or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

The Department of Political Science is requesting the course prefix be changed to reflect the current department of record in which the course is taught. The prefix should change from SOCI to POLC. The course number will stay the same. The name of the course should change from "Sociological Practice II" to "Criminal Justice Internship." No change in content is needed. The Department of Communication and Sociology supports this action.

SOCI 499 was approved last year as the capstone for criminal justice majors. The course description should now be altered to read, "A supervised on-the-job learning experience within an approved work setting relevant to academic and career goals. A capstone course."

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

♦ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

‡ Program or course changes applying to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

* All graduate degree plan changes must go through the Graduate Council.

** Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and corequisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

Note: The Board of Trustees is informed when a major or degree is added or discontinued.
