Course Number FAM 432 or Degree Plan(s) _____ State the requested change and reason. A memo may be attached if more space is necessary.

The proposed change would change the course number for FAM 432 (Family Finance) to FAM 232 (Family Finance). There have been voices across campus that have expressed that this is a course which would benefit a variety of students, if it were a lower level course, which could be used as a general elective. Changing the course number would allow a wider array of students to take this course which helps them to learn how to manage money, create a budget, and avoid consumer debt. These are skills that students across campus need as they are often away from home and making financial decisions. These are life skills that would benefit students across campus and making this a lower division course does not compromise the quality of the major, as students have a number of upper division courses in their program.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
