Course Number KINE 360 or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

Current: KINE 360 Leadership and Management for Health Promotion
Designed to explore many leadership and management theories and practices with application in health promotion fields.

Proposed: KINE 360 Leadership and Management for Health Promotion
Designed to explore many leadership and management theories and practices with application in **the fields of health promotion, sport, and recreation.**

Rationale: Students following the sport and recreation management track in our department have increased in numbers and are now 50% or more of the enrollment in KINE 360. Class discussion and readings have included all three fields for several semesters. Changing this sentence in the catalog description better reflects that.

Side note: The course title will not change since Health Promotion is a broad term and is not just associated with our health promotion track.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.
