Course Number _____ or Degree Plan(s) BFA Photography
 State the requested change and reason. A memo may be attached if more space is necessary.

We are requesting that the BFA Photography concentration be removed from the catalog. The degree plan has been available for 3 years and only 2 students have selected it as a concentration. At the time we proposed and developed the concentration we had the faculty and capacity to offer it with minimal effort and expense. Because of high demand for photography courses we were curious if we would see similar demand for a concentration. This turned out not to be the case. In addition, Nil Santana is our primary photography teacher and is now receiving course load reductions for his directorship of the Maker Lab. This appointment now makes it difficult to offer courses needed for the concentration.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
