

Approval Chart for Curriculum ChangesA = Approve I = Information Item¹ R = Advise & Respond²

Course Number ENGR/PHYS 388 or Degree Plan(s) _____
 State the requested change and reason. A memo may be attached if more space is necessary.

ENGR/PHYS 135 should be added to the list of prerequisites; ENGR/PHYS 388 is an advanced circuit analysis course, and it therefore builds upon the content of Introduction to Electric Circuits (ENGR/PHYS 135)

The updated list of prerequisites should therefore be "MATH 361, ENGR/PHYS 135"

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

4.	Requirements for graduating with honors	--	--	--	A			A	A	A
5.	Other academic policy changes	--	--	--	A			A	--	A

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
