¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.

Description of French Minor revision

Categories

Establishing categories and defining the minor in terms of number of courses within each category has been proposed in order to alleviate problems associated with degree plan inflexibility, while insuring that students are receiving a balanced education in the field. The categories would align closely with the ones already established for Spanish. The proposed categories are:

1. Lower level French courses (FREN 001 – 299)
2. Advanced French language courses
(FREN 300 – 400 level classes, numbered between X20 and X39).
3. Advanced French culture courses
(FREN 300 – 400 level classes, numbered between X40 and X59).
4. Advanced French literature courses
(FREN 300 – 400 level classes, numbered between X60 and X79).

Renumbered Courses

In order to implement the proposed categories, the four advanced courses in French would need to be renumbered (they would retain the same title):

- | | | |
|--|---|----------|
| 1. FREN 352 Introduction to French Culture | → | FREN 341 |
| 2. FREN 386 French Composition and Conversation | → | FREN 321 |
| 3. FREN 481 Medieval and Renaissance French Literature | → | FREN 461 |
| 4. FREN 484 Twentieth-Century French Literature | → | FREN 462 |

The French minor would not change in terms of content and hours required, but does make it much more flexible.
