

Approval Chart for Curriculum Changes

A = Approve I= Information Item¹ R= Advise & Respond²

Course Number _____ or Degree Plan(s) KATP (3+2)

State the requested change and reason. A memo may be attached if more space is necessary.

Current: In the Pre-Athletic Training (KATP) track, CHEM 131 and 133 are listed as requirements.
Proposed: In the Pre-Athletic Training Track (KATP) track, CHEM 111 and 113 will be added as options in addition to CHEM 131 and 133.
Rationale: CHEM 131 and 133 do not couple well with the KATP Math 123 requirement, as CHEM 131 and 133 require MATH 109.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

5.	Other academic policy changes	--	--	--		A		A	A

¹ Councils may request additional information about “Information” items. These items are approved as “Consent Agenda.”

² The Dean and Department should respond to the Provost’s recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU’s University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and “not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession” (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that “general requirements for graduation” means the enumerated items in the “General Requirements for Bachelor’s Degrees” section of the catalog.

Choose 1 from:

-
- [PEAC 214 - Aerobics](#) Credit Hours: 1
 - [PEAC 215 - Jogging for Fitness](#) Credit Hours: 1
 - [PEAC 216 - Walking for Fitness](#) Credit Hours: 1
 - [PEAC 211 - Cross-Training](#) Credit Hours: 1

Electives

Minimum - 0 Credit Hours

Total Major Hours: 48

Other Graduation Requirements

Students in this integrated program must be accepted in the ACU [Master of Athletic Training](#) program by the end of their junior year. A grade of C or higher must be earned in the following courses. A maximum number of 6 hours may be earned with a grade of C, all others must be B or higher.

- [BIOL 291](#) and [BIOL 293](#)
- [BIOL 292](#) and [BIOL 294](#)
- [KINE 498](#)
- [MATH 123](#)
- [NUTR 224](#)
- [BIOL 101](#)
- [CHEM 133](#) ~~and~~ [CHEM 131](#) or [CHEM 113](#)/[CHEM 111](#)
- [PHYS 110](#) and [PHYS 111](#)
- [PSYC 342](#)

Graduate courses taken during the summer semester following the student's junior year along with graduate courses taken during the fall and spring terms of the student's senior year will fulfill the remaining 30 hours required for the bachelor's degree to be awarded.

For more information on the admission requirements for the Master of Athletic Training degree, please refer to the graduate section of the [Kinesiology and Nutrition](#) department page.

Melissa Long <mdl16a@acu.edu>

Fri, Feb 9, 2018 at 10:58 AM

To: Karen Witemeyer <kmw03d@acu.edu>

Hi Karen,

Thanks for checking with me on the Chemistry change to the KATP program. I support this change in the degree plan. The Commission on Accreditation of Athletic Training Education (CAATE) requires a chemistry class for entrance to a master's program. However, CAATE does not specify what level of chemistry, which allows for institutional autonomy. By allowing our students to choose between Chem 133/131 or Chem 113/111 we will be able to better tailor degree plans to student needs.

Please let me know if you need any more information.

Thanks,

Melissa
