¹ Councils may request additional information about “Information” items. These items are approved as “Consent Agenda.”

² The Dean and Department should respond to the Provost’s recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU’s University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and “not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession” (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that “general requirements for graduation” means the enumerated items in the “General Requirements for Bachelor’s Degrees” section of the catalog.

Close current Middle School degree plans:

- Middle School Education with EC-6 and 4-8 Language Arts, BS (MSLA)
- Middle School Education with EC-6 and 4-8 Mathematics, BS (MSMA)
- Middle School Education with EC-6 and 4-8 Social Studies, BS (MSSS)

When we created the current degrees, federal policy outlined in No Child Left Behind (NCLB) limited the employability of these candidates. In order to teach in 4th and 5th grades, the candidates also had to be generalist (EC-6) qualified. Therefore, we added courses to prepare the candidates to add the EC-6 credential to the 4-8 credential so that they could teach the entire grade range of their certifications. This made the degrees very inflexible and in the case of Social Studies and English Language Arts the degrees exceeded the 128-hour limit. This is no longer the case. We propose closing the current degrees and will propose a new single middle school degree plan with four tracks.
