¹ Councils may request additional information about “Information” items. These items are approved as “Consent Agenda.”

² The Dean and Department should respond to the Provost’s recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU’s University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and “not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession” (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that “general requirements for graduation” means the enumerated items in the “General Requirements for Bachelor’s Degrees” section of the catalog.

Revise the Special Education Supplement:

We offer a degree in Elementary Special Education, so the supplement is the only path to add this credential to a 4-8, EC-12 or 7-12 certification degree. We are revising this course sequence to make it more feasible for students.

The current course sequence includes the following:

- SPED 374 – Emotional and Behavioral Disorders in Children
- SPED 477 – Teaching Students with High Incidence Disabilities
- SPED 481 – Teaching Students with Low Incidence Disabilities
- SPED 485 – Assessment and Behavior in Special Education
- SPED 488 or EACH 363 or EDUC 476

The proposed revised sequence is as follows:

- SPED 374 – Emotional and Behavioral Disorders in Children
- SPED 477 – Teaching Students with High Incidence Disabilities
- SPED 481 – Teaching Students with Low Incidence Disabilities

Remove SPED 485 --We have increased the focus on data driven decision making in the professional education sequence. SPED 477 and SPED 481 provide background on utilizing assessment information for these populations. In addition, the Secondary Block experience includes significant focus on behavior support. SPED 374 also includes a major focus on behavior as well.

Remove the menu with SPED 488, EACH 363 or EDUC 476 – This is redundant. All teacher candidates now take EDUC 476.
