Course Number BIBM 480 or Degree Plan(s) General Education selection

State the requested change and reason. A memo may be attached if more space is necessary.

Change BIBM 480 Arts and Culture: A Christian Aesthetic so that it is not cross listed with THEA 480. Remove the wording "Same as THEA 480." in the course description area of the ACU catalog.

Problems:

1. Theatre is using the course for their capstone AND for a Bible selection, and it has been taught at least once without a credentialed Bible professor in the room.
2. Banner doesn't care about either of these problems, and so DegreeWorks allows these courses of action
3. The original course creation documentation allows the development to have happened.

Note: cross-listing should be dropped from course description of THEA 480 also.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.

Dear Academic Council Members,

The theatre approves of the changes suggested in regards to THEA 480 Arts and Culture becoming a stand-alone class. In the past it has been team taught with a Bible professor and crosslisted with BIBM 480. It has been our desire to move towards a theatre majors only enrollment. It is our capstone course and having all upper division theatre students allows for a deeper delving into the role that arts play in our culture, particularly in regards to Christianity.

We are in agreement of dropping the crosslisting and no longer having the class also fulfill a Bible requirement. We understand that this will take place beginning 2019-20 and we will advise our students accordingly.

We have enjoyed the collaboration with the Bible department and the excellent contribution in co-teaching through the years by Ken Cukrowski, David Kneip, and Ashley Gay. Thank you, too, to Rodney Ashlock for helping accommodate us.

In Him,
Dawne Meeks
ACU Theatre
