¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.

Department of Communication & Sociology, Communication Division Curriculum Changes, Fall 2018		
Course	Reason for Requested Change	
Course Term Change		
101 (Introduction to Communication)	This course passed UUAC Fall 2017 as a Spring only course but we would like to offer it both Fall and Spring because this is now in the social science menu. Adding this course to the Fall would also enable Freshmen communication majors to take a communication course during their first semester.	
231 (Small Group Communication)	This course is currently taught in Spring and Summer. We would like to offer it Fall, Spring, and Summer because this course is now in the social science menu.	
241 (Interpersonal Communication)	This course is currently taught in Spring and Summer. We would like to offer it Fall and Spring because this course has been added to the social science menu. We also request this course not be offered in Summer .	
343 (Business & Professional Communication)	Currently in catalog as a Fall, Spring course. Should be Spring only.	
415 (Political Communication)	Change from Fall (even years) to Fall (every year).	
485 (Organizational Communication)	Currently in catalog as a Fall, Spring course. Should be Fall only.
