Course Number CSD 330 or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

CSD requests approval to change the name and modify the catalog description of this course to emphasize the “language disorders” content it does contain; we are finding it necessary to do so to reflect that the course DOES satisfy requirements of different graduate programs our students apply to, as well as satisfying state requirements for speech-language pathology assistant certification. We also desire to remove a redundancy in the current catalog description—a reference to both “content” and “semantics.” No change in course content will be required. (2018-29 catalog listing is attached)

CSD 330, currently Normal Language Development, should be re-titled “**Language Development and Disorders.**”

The new description should read: **The normal acquisition of language with emphasis on language content (semantics), form (phonology/morphology/syntax), and use (pragmatics); with consideration of the causes, characteristics, and impact of developmental language disorders.**

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
