Course Number EDUC 449 Professional Practice in Music Education or Degree Plan(s)
 State the requested change and reason. A memo may be attached if more space is necessary.

Current description and prerequisite: This course provides an advanced review of professional practice in music education for Pre-K through 12 settings. The course culminates in the first formal submission of the Teacher Education e-portfolio and completion of the showcase presentation.
 Prerequisite: Participation in August Experience. For Seniors only.

Proposed new description and prerequisite: This course provides an advanced review of professional practice in music education for Pre-K through 12 settings. The course includes Teacher Education Program capstone requirements. Prerequisite: Admission to Teacher Education. For Seniors only.

Rationale: The program capstone requirements change at times in response to state mandate so we do not want to specify these assignments in the description. It is important to note that the course does not serve as the University capstone for these students. Also, the August Experience takes place after the course. Finally, students take this course at the end of their program immediately prior to Clinical Teaching so they must be admitted

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.
