Course Number _____ or Degree Plan(s) **HIST BA**

State the requested change and reason. A memo may be attached if more space is necessary.

The HIST BA degree will now include two tracks, the Public History BA and the General History BA. See attached Memo for alteration of the existing BA in HIST degree to create the new BA in General History track. We are simply replacing the current menu option of any two 200-level courses (among HIST 221, 222, 250) with the requirement of recently-approved HIST 201 (Introduction to Public History) to replace HIST 222, as well as the choice between HIST 221 or 250. We also replace the requirement of ENGL 231 or 232 with any sophomore (or higher) literature. **All proposed changes are highlighted below in yellow.**

We will submit a proposal for the new track in Public History under a separate application.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about “Information” items. These items are approved as “Consent Agenda.”

² The Dean and Department should respond to the Provost’s recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU’s University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and “not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession” (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that “general requirements for graduation” means the enumerated items in the “General Requirements for Bachelor’s Degrees” section of the catalog.
