Course Number EDUC 476 Effective Teaching Strategies for ELLs or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

Current, Title, Description and Prerequisites: Effective Teaching Strategies for ELLs

Develops skills for helping English Language Learners, including a review of underlying social and multicultural contexts, English language concepts, types of ESL programs, and instructional objectives and techniques.

Prerequisite: EDUC 211 and either READ 322 or READ 363. May be used to satisfy University Requirements.

Revised Title, Description and Prerequisites: Effective Teaching Strategies for **ELs**

Develops skills for helping **English Learners**, including a review of underlying social and multicultural contexts, English language concepts, types of ESL programs, and instructional objectives and techniques.

Prerequisite: EDUC 211 and either EACH 363, READ 322 or READ 363. May be used to satisfy University Requirements.

Rationale for title and description:

The current language in the field has removed "Language" from the designation to eliminate the deficit perspective. These learners have language. They are learning English.

Rationale for prerequisite:

Like READ 322 and READ 363, EACH 363 also includes relevant prerequisite knowledge of literacy and language. Adding this as an option also provides more flexibility for the timing of enrollment in EDUC 476.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
