¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.

Summary of Planned Changes to Business Minor

The proposed update to the entrepreneurship curriculum will have the following impact on the Business Minor offered by the College of Business Administration:

- Students pursuing the minor are required to complete nine credit hours from a menu of courses that mirrors the Business Foundations requirements for all business majors. These ten course options include the existing BUSA 120: Introduction to Business course which is three credit hours.
- The proposed change will replace this existing course with a new version of BUSA 120 that is two credit hours along with a new course, ENTR 120: Foundations of Entrepreneurship, that is one credit hour.

Students taking BUSA 120 will be required to also take ENTR 120 during the same semester. To allow students pursuing the Business Minor to count all three hours of credit towards the degree requirement, ENTR 120 will be added to the menu of courses that students can take to satisfy the required nine credit hours. A revised copy of the degree plan is included below. It reflects the addition of the revised BUSA 120 and the new ENTR 120. The changes are highlighted in yellow.
