Course Number BIOL 404 or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

First request is to change the term for Marine Biology Laboratory (BIOL 404) from 'Summer, even years' to 'Summer, odd years'. The lecture course that is a corequisite for BIOL 404 is changing terms from 'Summer, even years' to 'Spring, odd years', and the lab needs to occur in the summer 1 session immediately following the conclusion of the lecture course in the spring.

Second request is to remove the corequisite for BIOL 404 and to instead add a prerequisite of BIOL 403. Currently, BIOL 403 Marine Biology lecture is a corequisite for BIOL 404 Marine Biology Lab. However, the next time these courses are offered they will be offered in different semesters; the lecture will be offered in the spring of odd years, and the lab will be offered in the summer I term of odd years. A course cannot have a corequisite that is not offered in the same term, so BIOL 403 needs to be a prerequisite of BIOL 404 and not a corequisite.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
