¹ Councils may request additional information about “Information” items. These items are approved as “Consent Agenda.”

² The Dean and Department should respond to the Provost’s recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU’s University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and “not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession” (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that “general requirements for graduation” means the enumerated items in the “General Requirements for Bachelor’s Degrees” section of the catalog.

Subject: Adding PSYC 233 Physiological Psychology to degree plan

To: Shelia Jones <jness@acu.edu>

Cc: Richard Beck <beckr@acu.edu>

Dr. Jones,

Dr. Beck asked me to follow up with you regarding your request to add PSYC 233 Physiological Psychology to Occupational Therapy degree plan.

1. PSYC 233 Physiological Psychology is offered every semester (Fall 2022 we have been able to reserve a room with a capacity of 55 students in OCS which should suffice your request)
2. We do have location concerns and sometimes need to limit the enrollment based on where we are able to reserve a room (if you have access to a room that will seat 55 on TR 9:30-10:50a.m., we can definitely make a deal:)
Seriously, we may have to cap a section due to location on a given semester.

I hope this information will help as you plan for the OT degree plan. Please let me know if you have any additional questions.

Have a great day. Blessings,
Ann
