¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.

Summary of Proposed Changes to ACCT degree beyond Business Foundations changes

The BBA in Accounting degree plan has not changed significantly in the last 20 years. We are proposing to update the degree in order to better reflect the current state of accounting practice and in anticipation of upcoming changes to the CPA Exam.

We are proposing a change in the major requirements of the BBA in Accounting degree. As part of the current degree plan, students are required to choose two Advanced ACCT and/or FIN (300-499) courses. Since we were able to reduce the Business Foundations portion of all COBA degrees by three hours, we are proposing replacing the previous 6-hour Advanced ACCT and/or FIN requirement with two 9-hour tracks (General Track and Analytics and Reporting Track) that a student may choose from. These are the only proposed changes to the major requirements.

ACCT Degree Summary:

56 hours in university Gen Ed
24 hours in BBA core
30 hours in ACCT core
9 hours in specified ACCT track
9 hours in electives

Total Hours = 128

These changes are discussed below:
