Course Number IS 442 Analytics 4: Business Analytics Projects or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

In the creation of the analytics track in all BBA majors, we would like to utilize the existing "IS 342 Business Decision Support Systems" with a description, title, and number change in line with the sequencing and theme of the track. We would like to rename it as "IS 442 Analytics 4: Business Analytics Projects."

The catalog description will read: Design and implementation of computer-based business decision support systems using commercially-available business intelligence software such as SAS. Emphasizes the role that knowledge management, analytics, business intelligence, and decision support technologies as they apply to business projects. Includes coding and application development exercises. Prerequisite: IS 222, CS 115, Junior standing.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
