Course Number: ITC 499

State the requested change and reason. A memo may be attached if more space is necessary.

Change the description of ITC 499 "Information, Technology and Computing Internship" to:

"Field experience applying knowledge and skills from School of Information Technology and Computing disciplines in a professional setting. Course may be repeated once. Prerequisite: Completion of all required 100- and 200- level CS, DET, IS, IT, and ITC courses; approval from director of Internships. Same as ACCT 499, FIN 499, IS 499, MGMT 499, and MKTG 499."

This change, adding "Course may be repeated once", will allow students to participate in two different internships for credit. We expect this to be a rare request but do want to allow for talented students pursuing this opportunity.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

Note: When an academic unit does not have a council, the UGEC and/or UUAC will serve as its academic council, depending on the nature of the issue.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEAC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
