Course Number MATH 109 or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

At the request of the Office of the Provost, the department has reviewed its prerequisites for MATW 100 level and MATH 100 level courses.

Please see the attached documentation for the proposed changes to prerequisites.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

1.	General requirements for graduation including course requirements that are common to all majors for all degrees ⁷	--	--	--		A		A	A
2.	Admission requirements	--	--	--		A		A	A
3.	Policies governing academic probation and suspension	--	--	--		A		A	A
4.	Requirements for graduating with honors	--	--	--		A		A	A

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.

**Change in Prerequisites for
MATH 109, 120, 123, and 130 and
MATW 019, 109, 120, 123, and 130**

November 28, 2022

The Office of the Provost requested that the department review its prerequisites for beginning level courses. In this review, the department found that we had fallen behind in updating its prerequisites to align with state standards. While we are not required to follow the state standards, our courses do need to be comparable to the courses in mathematics departments across the state.

The State of Texas considers students to be exempt from demonstrating college readiness in mathematics if they have a MATH ACT score of 19 or higher or a MATH SAT score of 530 or higher. (Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter C, Rule §4.54)

We are proposing the following changes in prerequisites:

Proposed Prerequisites	Current Prerequisites
MATH 109, 120, 123, and 130: • MATH ACT score of 19 or higher, • MATH SAT score of 510 or higher, • mathematics placement into MATH 109, 120, 123, or 130, or • credit for MATH 109, 120, 123, or 130	MATH 109, 120, 123, and 130: • MATH ACT score of 20, • MATH SAT score of 530, or • math placement into MATH 109, 120, 123, or 130.
MATW 109, 120, 123, and 130: • MATH ACT score of 15 to 18, • MATH SAT score of 400 to 500, • mathematics placement into MATW 109, 120, 123, or 130, or • credit for MATW 019, 109, 120, 123, or 130	MATW 109, 120, 123, and 130: • MATH ACT score of 17 to 19, • MATH SAT score of 440 to 520, • MATW 019, or • math placement into MATW 109, 120, 123, or 130
MATW 019 • no MATH ACT score, • no MATH SAT score, or • mathematics placement into MATW 019	MATW 019
