Action Items

29. AENV 110 – Close Course

J. Carpenter (via email) - We have 8 students who have not yet taken AENV 110. Our plan is for them to take AENV 101 and AENV 201 as a substitute. I cannot add a section of AENV 110 to anyone's load. We will waive the last hour of the requirement. J. Smith - The extra hour would be within the major. E. Gumm - The extra one hour will fall into the electives, it won't be prescribed to the major unless it is advised that way. We can operationalize it for the 8 students remaining, but we can't require it. J. Smith - They have enough hours to meet the definition of the major without that hour counting in the major, so we should be all right.

Motion to approve by D. Mayhall; seconded by A. Sutherlin; all in favor; motion passes.
