Course Number or Degree Plan(s): BBA in Accounting (both tracks: ACCT-ANRP & ACCT-ACCG)

State the requested change and reason. A memo may be attached if more space is necessary.

1. Revise the BBA in Accounting degree plans (both tracks) to reflect changes in the classes that can count toward the various university requirements. This also affects total credit hours required for Business Foundations, Electives, and Total Major Hours. These are small changes that better align the degree plans with the new General Education curriculum.

Indicate the requested change.

¹ When an academic unit does not have a council, the UGEC and/or UUAC will serve as its academic council, depending on the nature of the issue.

² Courses that satisfy ACU's University Requirements will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible.
