The faculty of the Department of Bible, Missions and Ministry voted unanimously to include upper-level Greek and Hebrew courses in the menu of upper-level selections that students can take to fulfill the requirements for a Bible, Missions and Ministry Minor (BIMM). The courses are already included in the menu of upper-level selections that students can take to fulfill their general education requirements. This change brings the requirements for the minor into alignment with general education requirements.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
