Course Number: MGMT 439

or Degree Plan(s):

Proposed change:

As part of a major degree overhaul we removed MGMT 331 from some majors, but failed to remove it as a pre-requisite for our capstone course

We would like to **remove** MGMT 331 Operations Management as a pre-requisite for MGMT 439 Strategic Management.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
