Course Number: _____ **or Degree Plan(s):** Kinesiology- Sport and Rec Management

We would like to change the PEAC requirements within the Kinesiology- Sport and Recreation Management degree track.

Current: Students must complete 3 hours from 'HighAdventure' 1-hour PEAC Courses (PEAC 207, 210, 227, 239, 335, 350, 351, 352)

Proposed: Students must complete 1 hour from 'HighAdventure' 1-hour PEAC Courses (PEAC 207, 210, 239, 350, 351, 352). Students must complete 2 courses from 1-hour menu (PEAC 102:499 except PEAC 206, 216; ANSC 360) Note: ANSC is a 3 hr course, 1 hr will count toward the major total, 2 hrs will fall to electives.

Rationale: Requiring 3 High Adventure courses proves to be difficult for many students. Many High Adventure courses require time away from campus during breaks or during summer that students can not complete. Some courses have expensive course fees that exclude students from taking those courses. Because many transfer students only have 3 or 4 semesters at ACU, finding time to complete all 3 High Adventures is difficult.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
