Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g., BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.

From: Jennifer Huddleston, Chair of the Department of Biology

The Department of Biology seeks to make changes in our degree plan for Biology, Wildlife Biology, BS (BIOL-BIOW). A table is included at the end of this memo summarizing these changes. The following as a rationale for each of the proposed changes.

We are proposing that an experiential learning component be added to each of our degree plans. This wording is:

Experiential Learning

Students are required to complete an experiential learning component.

Choose one option from the list below:

BIOL 493 - Human Anatomy Laboratory Credit Hours: 1 ^

BIOL 357 - Microbiology Laboratory Credit Hours: 1 ^

BIOL 364 - Ecology Laboratory Credit Hours: 1 ^

BIOL 498 - Cancer Biology Credit Hours: 3 ^

BIOL 399 - Biology Research Credit Hours: 1-3 ^

PHP 308 - Global Healthcare Credit Hours: 3 ^

^Hours fulfill either general education or major requirements and are not counted a second time for this requirement.

Total: 0 Credit Hours

We are also requesting changes due to a change in the number of hours for ENVR 458. We are requesting an increase in hours from three to four for the course, and requesting an increase by one hour to the total hours.

Please see the individual catalog pages with markups for the degree plans.

You will also notice changes in red. These changes were approved by councils earlier this academic year and should not be considered here, but should be noted that this does differ from the current catalog.
