Course Number: CSD 111

or Degree Plan(s):

I am proposing a change for the department of record and thus the prefixes for CSD 111 and CSD 112, American Sign Language 1 and 2. This is for a variety of reasons. First, the instructor (Cassie Knutson) who is teaching American Sign Language is an instructor who is being paid fully out of the School of Education. She also offices here and teaches the courses in the Phillips Education Building. Additionally, we are exploring the possibility of opening a degree in Deaf Education. This is an area of high needs in the state and there is only one institution in the state who offers this certification at the undergraduate level. Moving CSD 111/112 to SPED 111/112 will allow us to demonstrate to the state that we have the programmatic infrastructure to support a deaf education certification. I have discussed this matter with both the chair of Communication Disorders (Brenda Bender) and my dean has discussed it with the dean of the College of Health and Behavioral Science (Dirk Nelson). (See attached email communication.)

See the memo from Dr. Brenda Bender attached below.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.

Re: Reclassification of ASL courses

Stephanie,

I am writing in support of the proposal to reclassify the ASL classes from CSD to SPED as you plan for adding Deaf Education to the Teacher Education programs. I have visited with the CSD faculty about the proposed changes and all voiced support for the program. If CSD can be of assistance as you move this proposal and plan forward please let us know.
