

Abilene Approval Chart for Curriculum Changes

A = Approve I = Information Item R = Respond In Writing

Course Number: ENGR 390 **or Degree Plan(s):**

ENGR 390 - Junior Clinic

Was: Prereq - Credit for or simultaneous enrollment in [ENGR 333](#) or [ENGR 422](#)

New: Prereq - Instructor approval.

Rationale: The purpose of the original prerequisite was to ensure that students enrolled in Junior Clinic were sufficiently far-along in their academic career, but the new requirement will better accomplish that purpose within the requirements of the new degree plans.

30.	Comprehensive revision of General Education Requirements	-	-	-	-	A	A	A	A	I

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the “provost-proposed” routing on the chart.
