30.	Comprehensive revision of General Education Requirements	-	-	-	-	A	A	A	A	I

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.

HON 123 - Name Change and Corequisites

This is to request a name change from Introductory Biology II Honors Seminar to Biology and Faith Honors Seminar II in order to more fully reflect what is happening in the class and dissociate it from other courses.

We would like to add two more allowable corequisites for our honors seminar courses. These courses are designed for first-year students. However, we have a number of students each semester who transfer in credit for BIOL 121, 122, 123, and 124 and are placed into BIOL 312 and BIOL 351 as first-year students. We would like these students to also have the opportunity to participate in these honors seminar courses.

Catalog descriptions with new edits in blue for the corequisites:

HON 123 - ~~Introductory Biology II Honors Seminar~~ **Biology and Faith Honors Seminar II**

Lecture Hours: 1

Lab Hours: 0

Credit Hours: 0

Terms Offered: Spring

This zero-hour seminar provides students a supportive environment to reflect upon the nature of the relationship between the creation and its Creator from the perspective of the biological sciences with a Christian worldview. Corequisite: BIOL 121, BIOL 123, [BIOL 312](#), or [BIOL 351](#).
