Course Number: ENTR 412: Launching the Venture

or Degree Plan(s):

We would like to update the following items to align with a new requirement for our annual entrepreneurship competition that will require some winning teams to complete the course.

1. **New Description:** Provides an immersive, hands-on experience in the process of launching a scalable business. Students will attend class and work on their venture at ACU Dallas during the summer semester. Topics will be introduced through engagement with potential customers and experts as well as preparation of a presentation targeting potential investors.

Current Description: Provides hands-on experience in the process of launching a business. Topics will be introduced primarily through preparation of a written business plan for an actual venture which the student plans to implement in the future. Students will submit drafts of the plan and make oral presentations throughout the course.

2. Course term: Summer (currently listed as Spring)

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
