Degree Plan(s): Kinesiology- Sport Rec Mgmt

Rationale: KINE 321 and 322 are courses where students are required to TA for a PEAC course. Since the university has cut PEACs as a requirement from the General Education requirements, we are not offering as many PEAC courses and therefore do not have enough PEAC for all KSRM students to TA.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
