

Engineering Course Closures

ENGR 211	Digital Logic Lab	Has not been offered in a long time, will be replaced by ECEN 310
ENGR 251	Engr. Management	Part of IE curriculum
ENGR 305	Environmental Health and Safety for Engineers	Has not been offered or required in a long time
ENGR 342	Measurement Techniques	Has not been offered or required in a long time, topics covered elsewhere
ENGR 343	Meas. Tech. Lab	Has not been offered or required in a long time, topics covered elsewhere
ENGR 351	Statistical Quality Control	Part of IE curriculum
ENGR 352	Engineering Optimization	Part of IE curriculum
ENGR 353	Management Systems and Production Planning	Part of IE curriculum
ENGR 373	Engineering Field Methods Lab	Split into CIVE 371 and CIVE 331
ENGR 422	Embedded Systems	Replaced by ECEN 315
ENGR 423	Embedded Lab	Replaced by ECEN 316
ENGR 431	Senior Clinic Studio I	Has not been offered or required in a long time, topics covered elsewhere
ENGR 433	Clinic Studio II	Has not been offered or required in a long time, topics covered elsewhere
ENGR 450	Systems Simulation	Part of IE curriculum
ENGR 470	Design of Structures	Split into CIVE 472 and CIVE 474
ENGR 481	Thermodynamics	This course has not been taken by engineering majors in a long time (currently cross-listed with PHYS 481, which should remain)
