Degree Plan: [Health Humanities Minor](#)

*Seeking approval to change the location of the Health Humanities Minor from the Interdisciplinary Section of the catalog to the newly created Pre-Health Professions section/"department" within the OCSE section of the catalog.

**Short description: SOCI 350 is being removed from the ACU course offerings. According to the ACU catalog and Dr. Lynette Sharp Penny, the Department Chair for the Department of Communication and Sociology GERO 350 is the same course with a different course number. Currently SOCI 350 is on a selection menu as an option for students who are completing the Health Humanities minor. We request that SOCI 350 be replaced with GERO 350 as a menu option under the Competency "Psychology and Social Dimensions of Healthcare" for the Health Humanities minor.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
