A = Approve I = Information Item R = Respond In Writing

Course Number: KINE 360- Leadership and Management for Health Promotion

Current: Prerequisite: Junior standing

Proposed: Prerequisite: Sophomore standing

Rationale: As listed, Sophomores cannot register themselves going into Junior standing. This places a lot of manual work for our advisors. If a sophomore were to enroll, they would do fine in this class and it would give them a good basis of leadership background going into KINE 401 (Legal Aspects).

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
